ABOUT BAREKA BY KIAN

BAREKA is a sub-brand of KIAN with a sole focus to effectively outfit F&B establishments - primarily QSRs, Bars, Restaurants and Cafés - with a full-suite of professional and manufacturing services & capabilities catered for your F&B business aspirations.

Our name BAREKA by Kian was inspired to help customers remember what we do best, saving you time and effort in the process. With your budget and goal in mind, we plan, design, build and install every fixture, fitting and furniture your business requires, whilst managing the entire project from start-to-finish.

**OUR
PROMISE
TO YOU**

Promises are meant to be kept, so we don't make ours lightly.

It takes more than just decades-long experience in manufacturing to have a deep understanding of what customers look for in furniture. We're leading the field in the furniture industry because we've invested time in listening to your particular needs and can be relied on to come up with solutions for them.

BETTER DESIGN ■ BETTER VALUE ■ BETTER WORLD

BETTER DESIGN

BAREKA by Kian's product offerings epitomise the ideal combination of trendsetting style and high contract quality performance.

The versatility and timelessness of our Original Designs make them obvious choices for a wide range of applications across various market segments, from HORECA establishments to workspaces, education institutions and aged care centres.

Beyond manufacturing better designed furniture, we're always striving for better blueprints in every aspect of our business that impacts how we serve you. Our quest for better design spans all fields of endeavor within our organisation.

BETTER VALUE

We're single-mindedly focused on giving you peace of mind and making life easier for you. You'll see this difference in how we provide smart and total furniture solutions, prompt responses due to our localised presence and global service network, convenient and coordinated transport of all your varied furniture item purchases, and reliable on-time delivery to the destination of your choice.

More than that, we offer exclusivity: our Original Designs are created only for 'BAREKA by Kian' - by globally renowned award-winning designers. In addition, the cost savings gained from economies of scale in all our factories are passed on to you to keep our prices reasonable.

Expect uncompromising quality in our furniture products. Our in-house lab facility tests them for reliability and durability to ensure they meet international standards, and ready for commercial use.
